

HAVE A GOOD HEART

We value trust and respect

We like to be honest and up-front

We aim to do things right and do the right thing

We don't take ourselves too seriously and we like to enjoy ourselves

We welcome the views of others irrespective of background, culture and ethnicity

COLLABORATION IS KING

We celebrate success

We are driven by a common purpose

We all bring different skills to the table

Two heads are invariably better than one

We support, acknowledge and applaud the efforts of others

CONTINUOUS IMPROVEMENT

We embrace change

We see the big picture

We'd rather lead than follow

We challenge the status quo

There's no such thing as failure, just feedback

TALK'S CHEAP

We do what we say we will do

We listen more than we speak

We make ourselves accountable

We under-promise and over-deliver

Problems are okay, solutions are better
